New Business

- Johannes had a request at Pennsic - people who get stuck taking care of family while significant others are out doing things for which they receive awards. New order for these helpers, something like "Mama Bear" Ursa Major was suggested, and voted to look into it
- Kai (McCane archery) returning to active in the Society, and has offered to sponsor some archery related activities. Lives in Palmer. Needs to be listed in Facebook group pages to be SCA sanctioned for Royal Rounds. May also start a group for Archery Practices. Will do a letter of introduction to discuss experience.
- Kat Thomas has an idea for Novice Schola - a focus on Eastern personas, considering getting into Springfield Public Schools for a site to use. Caution about capacities and need for police presence over a certain limit
- Get the link for these meetings pinned to the announcement so it can be found easily. Will look into doing that - there is a way to have it attached to the event announcement

Old Business

- Coronets - visited with vendor who suggested using cigarette ash to polish (solid brass) - use agitator with new media (used for cleaning brass shells). Corwin also mentioned a tube of a specific brass cleaner to use also
- Field coronets (leather) - makers want to be given a design in order to work up cost. Corwin can work up a few designs and give them to Johannes
